

MINAEAN 
CONSTRUCTION CORPORATION
AN AFFILIATE OF SHAPOORJI PALLONJI

MSP'S CEO MERVYN PINTO VISITED COTE D'IVOIRE TOGETHER WITH A TEAM OF ARCHITECTS TO WORK ON THE INSTITUTE OF NEUROLOGICAL SCIENCES IN ABIDJAN.

Following the previous visit to Côte d'Ivoire in May 2017 together with Canadian Commercial Corp. and Export Development Canada for discussions on the construction of Institute of Neurological Sciences at Abidjan (ISNA), on the request of Ministry of Health of the republic of Cote d'Ivoire, MSP along with three man team from the architects Aedifica of Montreal visited Abidjan in September 2017 for finalising the specifications of the hospital as desired by the Ministry.

During this visit, Mr. Pinto was able to meet with the honourable Mr. François Albert AMICHA, Minister of Sports and Leisure of Cote d'Ivoire together with the Delegate General of Cote d'Ivoire to the United States, Mr. Inza Camara for discussions on construction of Stadium projects in Cote D'Ivoire.
