MINAEAN SP CONSTRUCTION CORP. AND BAUER GROUP IN DISCUSSIONS TO FORM A STRATEGIC PARTNERSHIP FOR PROJECTS IN CANADA AND AFRICA.

WEDNESDAY, DECEMBER 13, 2018

Minaean SP Construction Corp.'s (MSP) CEO Mervyn Pinto met with Ed Khun and Daniel Dragone from Houston based Bauer Pileco to form an alliance between the two companies for developing and executing projects in Canada and Africa in a strategic move to capitalize on the legacy established by both the corporations conducting business for over 150 years.

The meeting which was initiated by Bauer's local representative Ed Khun took place in MSP's office premise on December 13th, 2018. The primary points for discussions were to work closely in developing projects over US\$ 100 million in value for financing through German ECA (Export Credit Agency)

MSP presented the details of \$ 170 million Capital Building Project in Malawi and 10,000 units Students Housing Project valued approx. US\$ 250 million in Cote D'Ivoire for financing and execution on a joint venture model.

Bauer Pileco is part of the US\$ 1.50 Billion revenue German Bauer group which is a leading provider of services, equipment and products related to ground and groundwater with operations divided into three future-oriented segments with high synergy potential: Construction, Equipment and Resources.

Bauer Pileco with their North American Headquarters out of Houston, Texas, provide their customers with complete solutions from a single source with full range of specialist foundation engineering equipment and equipment for exploration, mining and safeguarding of valuable natural resources.
